

# Tanner

Our Tanner keyring is a functional and stylish promotional product idea - perfect for clients, staff or event giveaways. The soft-touch PU Leather adds a touch of class, and is designed to showcase your logo and more in precise detail. The stainless steel loop ensures your keys stay nice and secure, wherever you go. The Tanner is available in various shape options, including Square, Circle, Ellipse and Rectangle. Contact us today for more information regarding branding, express delivery times and our latest prices.
