

Podium

The Podium is our stylish custom medal designed to highlight your brand or event with vibrant photo printing and a sleek decorative trim. The center of the medal features a dedicated branding area, allowing your logo or artwork to be reproduced with exceptional detail, including gradients, fine lines, and full-color designs. Your branding is then sealed beneath a clear resin dome, giving the medal a glossy finish while protecting the artwork from scratches and everyday wear. Podium medals also feature a stylish outer trim detail, creating an eye-catching frame that draws attention to the logo in the center. This combination of decorative edging and vivid printing gives the medal a premium, professional look that recipients will be proud to receive. Available in two size options – 50mm or 65mm circumference Podium medals can be tailored to suit the scale of your event. You can order from a selection of gold, silver, or bronze finishes, making them perfect for recognizing 1st, 2nd, and 3rd place achievements.
