

Aqualok Metal

Our Aqualok Metal water bottle is a popular promotional product that'll be kept and used for years to come. Related to our [Aqualok model](#), the Aqualok Metal features a beautiful single-wall stainless steel body and a secure-lock lid to prevent any unwanted spillages. The lid also features a handy carry loop that's extremely popular with recipients. We can add your logo onto the side of the Aqualok Metal, and around the dedicated branding area on the lid.
